

Mike Hickman of The Bountiful Basket Catering prepares a spread of various holiday desserts, including lush and flavorful red velvet cake, crisp pecan bourbon pie, moist cream cheese croissants, Snickers cake and cupcakes.

If a custom designed buffet-style menu for as many guests as your house can hold is more your speed, the team at The Bountiful Basket Catering can ensure your holiday meal is a hit.

Owner and Smyrna resident Mike Hickman will personalize the menu to your special requests, dietary needs and budget and deliver it to your home for around \$25 per person to start or stick around with an on-site chef and server starting at around \$50 per person.

Although Hickman does not use pre-fixe menus, he usually suggests beginning with hors d'oeuvres before moving into the entrée and sides (such as the beef tenderloin and roasted brussel sprouts prepared for us) and then making way for dessert.

Visit [www.bountifulcatering.net](http://www.bountifulcatering.net) for holiday meal inspiration, then call (770) 431-1876 to begin planning your holiday meal with Hickman.

Hickman prepares a spread of various holiday desserts as well as a holiday meal including a coffee-infused beef tenderloin with bread, potatoes and a fruit spread of cranberries, pomegranate and star fruit.

Special thanks to Smyrna residents Susan and Gary Ocampo for the use of their home to shoot photos with The Bountiful Basket Catering.
